

I have been
in the beauty industry
for over 30 years,
travelling the world doing a job
that I love.

I have worked with
leading beauty and electrolysis specialists.
I was an examiner and teacher
at four different colleges and
I have owned my own successful
salon in Brighton.

At the start of
my career I undertook
a residential aromatherapy course
with Eve Taylor, founder of the
Institute of Clinical Aromatherapy
and regarded as the pioneer of
modern aromatherapy.

I have had training
with and used all the major products
on the beauty market.

I welcome you
to my new venture and adventure
— an intimate, beautiful, uncomplicated and
brand-new experience using proven, trusted,
established, affordable
and award winning products
by Eve Taylor.
