

I have been  
in the beauty industry  
for over 30 years,  
travelling the world doing a job  
that I love.

I have worked with  
leading beauty and electrolysis specialists.  
I was an examiner and teacher  
at four different colleges and  
I have owned my own successful  
salon in Brighton.

At the start of  
my career I undertook  
a residential aromatherapy course  
with Eve Taylor, founder of the  
Institute of Clinical Aromatherapy  
and regarded as the pioneer of  
modern aromatherapy.

I have had training  
with and used all the major products  
on the beauty market.

I welcome you  
to my new venture and adventure  
– an intimate, beautiful, uncomplicated and  
brand-new experience using proven, trusted,  
established, affordable  
and award winning products  
by Eve Taylor.
